

RockCraft Designs

"Breathtakingly Realistic"

OUR TEAM

The RockCraft design team lives and breathes climbing:

- Our designers and sculptors are both trained artists and climbers
- 15 years experience in boulder design and manufacturing

FUN, CHALLENGING AND CONFIDENCE BUILDING

RockCraft boulders provide a new adventure for children and adults alike with every climb:

- A wide variety of holds provide real climbing challenges
- Hundreds of combinations of route possibilities
- 100% climbable for every level of ability and age

SAFETY IS OUR TOP PRIORITY

RockCraft boulders feature our signature "V" design, ensuring all landings are unimpeded:

- Each boulder is hand finished and thoroughly inspected
- No snags for fingers, feet or clothing
- ASTM, CPSC and CSA compliant

Eiger

BUILT TO LAST

RockCraft boulders are built with a rock solid design:

- The look and feel of natural stone with the durability of 6500 psi concrete construction
- All surfaces, holds and ledges are self draining
- Vandal resistant and virtually maintenance free
- Industry leading 15 year warranty
